

Transportation Policy

I am responsible for my child's transportation to and from Waters Early Learning Center. I understand that if my child needs medical assistance Waters Early Learning Center will call 9-1-1 for medical transportation. It is against company policy for an Employee of the Center to transport a child in a vehicle.

I understand it is my responsibility to bring my child into the Center, signing them into their assigned room on the clipboard located next to the front door. Letting the teacher know your child is here.
